

Hobbies

Description

If you have a hobby and you want to develop it, why not go for this badge? It's perfect if your hobby isn't covered by one of the other badges.

Requirements

Take part in your hobby regularly for 3 months (anything that isn't covered by other badges).

You need to show:

- That you know the safety rules (if it has any);
- How you pursue your hobby, what you do and how often you do it.
- You can use any equipment, materials and background information;
- How you plan to develop your hobby in the future;

If you attend a regular group or lesson for this hobby your instructor can validate this badge. If not create a poster showing these points.
