

Badge Information

Animal Friend

Description

Even though there are lots of computer games and things that show you what it's like to care for an animal, these won't count for this badge. You will need to learn to take care of a real, live animal. The animal you care for could be a dog, cat, gerbil, guinea pig, fish, bird, rabbit, lamb or even a stick insect! Maybe you could help look after a family member's pet.

Requirements

Keep a note of how you have looked after the animal for two weeks. You can draw, take photographs or write short sentences. You should include:

- how to care for the animal
- How you helped to take care of that animal for six weeks.
- What the animal needs, its food, habitat, space, exercise and sleeping area.
